

UNIVERSITE LUMIERE DE BUJUMBURA

Office of the Rector

N. Ref. : ULBU/02/066/2026
10 August 2026

To: Dr. Jasmin (Bey) Cowin

Subject: Appointment as visiting Professor for AI and Pedagogy

Dear Prof. Dr. Jasmin (Bey) Cowin,

On behalf of Light University of Bujumbura, I am pleased to formally invite you to serve as visiting Professor for AI and Pedagogy during August 2026 at Light University of Bujumbura.

In your expert capacity, you will lead a series of professional development and capacity-building activities focused on Artificial Intelligence, innovative pedagogy, educational transformation, and AI institutional and policy. The scope of your engagement will include training and workshops for university administration, staff, and faculty members, with emphasis on the effective, ethical, and strategic integration of AI into higher education teaching, learning, leadership, and institutional governance practice.

The University values your expertise and international leadership in AI and pedagogy. We believe your contribution will significantly strengthen our institutional capacity and support our commitment to academic excellence and innovation.

The University will coordinate the training schedule in consultation with Computers for Schools Burundi through their CEO, Emmanuel Ngendakuriyo and you to provide the necessary institutional support to ensure the success of your engagement.

We would be honored to welcome you to Light University of Bujumbura and look forward to your collaboration with our world-class academic community.

Yours sincerely,

Prof. Audace MANIRABONA
Vice-Chancellor

CC:

- Dr. Bizimana Jean de Dieu, Deputy Vice-Chancellor in charge of cooperation
